

# Atradius Flow

Credit Insurance embedded in Microsoft Dynamics NAV & 365 Business Central

# Agenda

- What is Atradius Flow?
- Handling credit insurance
- Benefits from using Atradius Flow
- Atradius Flow in Business Central
- Implementing Atradius Flow
- Thoughts from an existing Flow customer
- Q&A

# What is Atradius Flow?

- A standardized add-on application to Microsoft's ERP system Dynamics NAV / Business Central
- Plug and play solution

The screenshot displays the Atradius Flow application integrated with Microsoft Dynamics 365 Business Central. The main window shows a list of buyers (Buyer ID, Customer No., Name, Cover Period, Total Decisions Amount, etc.) and a detailed view of a buyer record for 'FLISE BENT A/S' (Buyer ID: 10051113). The detailed view includes sections for 'Buyer Information' (Customer No., Name, Address, Post Code, City), 'Atradius Buyer Details' (Non-Payment Cases, Address, Post Code), and 'Non-Payment Cases' (Case ID, Policy Number, Cover Type, Cover Date, etc.). To the right, there are tabs for 'Details', 'Attachments (0)', and 'Atradius Buyer Details' (with fields like Non-Payment Case, Case Type, Case Status, Case Status, Date in Policy Currency, Collected Amount, Total Non-Payment Amount, etc.). The bottom right corner shows the Atradius logo.

# Atradius Flow is a showcase for Atradius API

## Which API functions are available?

Buyers	Credit Limits	Non-Payments	Policy
Search for your customer directly in our database 	Apply for Credit Limits 	Submit collection and claim cases 	Overview of your active policies 
Get current and updated buyer information	Make changes to existing Credit Limits	Get updated information about existing cases	Get information about cover types available on your policy
Get updated ratings on your entire buyer portfolio or for single buyers	Receive information about all existing decision or pending applications	Add additional information to already existing cases	

## Atradius Flow

# Atradius Flow is applicable for

---

Business Central SaaS

Business Central on-premise

NAV 2013

NAV 2016

NAV 2013R2

NAV 2017

NAV 2015

NAV 2018

# Handling credit insurance

- Applying for cover
- Increasing, reducing or extending cover
- Withdrawals on credit limits
- Monitoring deadlines and expiry dates
- Keeping a dynamic portfolio
- Reporting non payments in a timely manner
- Recovering receivables

# Benefits from using Atradius Flow

## Efficiency

- Flow is easy and quickly installed
- Semi-automated work flows
- Releases valuable time for other activities
- Efficient handling of your insurance policies

## Data

- Ensures updated and correct data at all times
- Reduces risk of manual errors

## Insight and overview

- Simplifies credit risk management
- Gives insight into your credit risks
- Identifies your credit insurance needs

# “Buyer Card” –Master data

The screenshot displays the AtradiusFlow software interface, specifically the 'Buyer Card' master data view. The top navigation bar includes links for Finance, Cash Management, Sales, Purchasing, and Shopify. The main search bar shows 'tradius Buyers: All'. Below the search bar is a table listing various buyers with columns for Buyer Id, Customer No, Name, Cover Decisions, Total Decision Amount, Historic Decisions, Non Payment Cases, Address, and Post Code.

The central panel is titled 'Atradius Buyer Card' and shows the details for buyer '1010259'. The buyer information section includes fields for Customer No (D00020), Name (OTICON A/S), Address (KONGENS BRYGGE 9), Post Code (2765), City (ØSTERLYN), Country Code (DKK), Legal Form (A/S), VAT (VAT Number) (DK-2534-210), NRN (National Reg Number) (433341219), and Current Buyer Rating (B7).

At the bottom, there is a 'Cover' tab and a table for managing covers. The cover table includes columns for Cover Id, Policy Id, Policy Currency Code, Cover Type, Cover Status, Pen... Can..., Credit Limit Application Amount in Policy Currency, First decision Amount In Policy Currency, Second decision Amount In Policy Currency, Total decision Amount In Policy Currency, Cover Decision Conditions, Application Date, and Decision Date. The current cover entry is for Cover Id 114863533, Policy Id 1075744, DKK, credit-limit, DECISION, with a checked box for Pen... Can..., and values for Credit Limit Application Amount in Policy Currency, First decision Amount In Policy Currency, and Second decision Amount In Policy Currency all set to 1,100,000.00. The Total decision Amount In Policy Currency is 0.00. The application date is 3/24/2022, and the decision date is 3/24/2022.
